### MOTION FOR DETERMIATION OF WAIVER AND FOR BOARD'S FINAL ORDER BY HEARING NOT INVOLVING DSPUTED ISSUES OF MATERIAL FACT

TAB 1 Jackie Marei Denio-Waggoner, DOH Case No. 2014-03070, OT 13284,

#### File # 13362 (PCP – Johnson, Mullings)

Ms. Denio-Waggoner, Respondent, was not present, and was not represented by legal counsel.

Ms. Gilani summarized the case for the Board which consists of a one-count Administrative Complaint alleging the Respondent was terminated for cause from participation in the Medicaid Program. On November 18, 2013, the State of Florida's Agency for Health Care Administration (AHCA) informed the Respondent that she had failed to timely reimburse AHCA for the amount ordered by a Final Order issued on June 20, 2013. Accordingly, AHCA terminated Respondent's participation in the Medicaid program pursuant to Section 409.913(30), Florida Statutes. The termination became final on February 25, 2014.

Service of the Administrative Complaint was attempted via certified mail, but was unsuccessful. Hand service was made care of the manager at the marina where the Respondent resides. The manager stated all mail addressed to the Respondent goes through him and that he would forward the Administrative Complaint to the Respondent. However, in an abundance of caution, the Department still published a Notice of Action in the Broward Daily Business Review newspaper for four consecutive weeks on October 20, October 27, November 3 and November 10, 2014. Respondent failed to submit an election of rights or any other responsive pleading within the 21-day period to dispute the allegations contained in the Administrative Complaint. Therefore, this case was before the Board as a determination for waiver.

Ms. King informed the Board of a recent call received from Ms. Denio-Waggoner in response to the meeting notice. Ms. Denio-Waggoner indicated she was unaware of the Florida Department of Health's Administrative Complaint filed regarding her license. Ms. King provided a copy of the Administrative Complaint to the licensee via e-mail and referred her to the prosecuting attorney, Ms. Oaj Gilani, for any follow-up needed. Subsequently, Ms. Denio-Waggoner submitted a written statement which was presented to the Board for review during the meeting.

Mr. Conway met with the Florida Board of Occupational Therapy Practice and administrative staff for the purpose of sharing the various enhancements made to programs and services of provided by the National Board for Certification in Occupational Therapy (NBCOT) and to dialogue with the Board and staff in an effort to further increase the efficiency and effectiveness of all NBCOT services.

One such enhancement is the Online Certification Verification search engine, for which Board staff relayed their commendations for streamlining Florida's Endorsement application process to the extent that licenses could be issued on the same day of receipt due to the immediate availability of this required document. Other services now available include weekly provision of examination scores to state regulatory boards, which has also decreased the time for Florida licensure of examination candidates.

Lastly, Mr. Conway stated the NBCOT is committed to guiding certificants and continually advancing practice to ultimately improve client lives. He informed the Board of a new online educational competency tool, the NBCOT Navigator, which will be available soon after the NBCOT Annual Spring Conference. The Navigator will be free to all active OTR and COTA certificants to be able to chart their customized professional development path. The Navigator will include tools to verify practice strengths with case simulations, match games and quizzes, self-assessment tools, professional development registry access, PDU activities charting and thousands of evidence based research articles through ProQuest.

### TAB 15 64B11-5.001 Requirements for License Renewal of an Active License; Continuing Education

For the 2015 – 2017 licensure biennium, CE Broker will implement changes to licensee and provider reporting options based on the current version of the rule, reflecting the definitions of the recently implemented changes for interactive and home study courses, by the Board. Because of the importance of ensuring implementation of the Board's intent regarding new or revised provisions, the Board Staff asked the Board to provide direction to CE Broker and staff concerning several questions which have come up regarding various portions and specifics of the rule.

The Board reviewed the questions and gave staff feedback regarding the specific questions. With regard to allowing many varied avenues of obtaining credit by home study, the Board advised CE Broker to be consistent with the Board's Rules in allowing choices as long as the requirement of obtaining a CE certificate is mandated.

Additionally, the Board Staff inquired regarding several appeals requesting an exception to the 12 hour home-study restriction for courses offered by the American Occupational Therapy Association (AOTA), citing that the association's courses are generally of a higher caliber and often more stringent than many live offerings from other providers.

Upon advisement of Board Counsel due to other Boards' current battles with the Florida Joint Administrative Procedures Committee (JAPC) regarding this same type of proposal, the Board decided to table this issue until a later date for review,
