The staff office has received this question from Board providers as well as from licensees seeking clarification.

The Board discussed, and a consensus was not in agreement of allowing online education for modalities certification, stating the didactic “training” as required in the Rules should be completed in a practical setting. The Board expressed the “didactic training” portion of the prescription devices “certification” Rules is indicative of educational training in a practical setting. The Board opted not to amend the Rules, rather advised staff to instruct providers

wishing to offer a modalities course online, to submit the individual course and materials through CE Broker for the Board's individual review and approval.

TAB 3 Sanford, Steven Case #2066-14494, OT 9527

Excerpt of January 9, 2012 Meeting Minutes

Mr. Sanford and his Monitor/Supervisor Ms. Pamela Kaysan were present and sworn in by the court reporter.

During the October 10, 2011 meeting, the Board reviewed the May 12, 2011 and August 16, 2011 reports required to be submitted by Mr. Sanford's probation monitor, Ms. Pamela Kasyan. The Board was also provided with correspondence from Ms. Kasyan requesting that the Board terminate or amend Mr. Sanford's monitoring process. Due to lack of a Board quorum, further review of these items was tabled for consideration by the full Board in January 2012. Board staff was directed to request Mr. Sanford and Ms. Kasyan appear at the next meeting to respond to inquiries the Board might have regarding the reports and to further discuss Ms. Kaysan's correspondence.

On October 28, 2011, correspondence was directed to Mr. Sanford and Ms. Kasyan, as per the Board's request. During this process, it was found that Ms. Kaysan's license was in a "delinquent/active" status. Upon discussion of this matter with the compliance officer, Mr. Sanford was notified that Ms. Kasyan could not serve as his monitor and that all reports submitted after February 28, 2011 were in effect null and void, because Ms. Kasyan's license had been delinquent since that date. Ms. Kasyan has since renewed her license to clear/active status and Mr. Sanford elected to continue to have her serve as his probationary supervisor. Mr. Sanford has also submitted a request to terminate his probation for the Board's consideration.

The Compliance Management Unit (CMU) Board Summary/Case File Report provided in this tab currently reflects an "Out of Compliance" status for Mr. Sanford. The compliance officer will be present at the meeting to answer any questions the Board might have with regard to this report.

After extensive discussion the Board made the following decisions:

- The Board choose to amend the current final order to include more description regarding the required Board reports.
- All reports must be mailed to the Compliance Officer, verses email or fax
- Ms. Kaysan will continue as Mr. Sanford's Monitor/Supervisor
- No longer require billing logs, but require a billing report/summary

MOTION: Mr. Hicks made a motion to accept reports 5, 6, 7, & 8 that were verified by other OT's when Ms. Kaysan's license was delinquent. The motion failed and after discussion Mr. Hicks withdrew the motion.

MOTION: Mr. Mullings made a motion to reject reports 5, 6, 7 & 8. Mr. Hicks seconded the motion, which carried 4/0.

MOTION: Mr. Hicks made a motion to accept the first monitoring report dated August 2010, as the first acceptable report. Mr. Mullings seconded the motion, which carried 4/0.

MOTION: Mr. Mullings moved to amend Mr. Sanford's final order and add nine months to the end of Mr. Sanford's probationary period, as well as the following requirements:

- Reports must be written in affidavit form.
- Continuance of a narrative summary to include a statement regarding understanding Mr. Sanford's probationary terms, relationship with Mr. Sanford, meetings and review times.
