Mr. Brown was not required to attend this meeting.

The Board questioned Mr. Brown regarding additional charges indicated in his background screening report, in which he did not report, nor provide documentation or explanation for, including a current open case yet to be decided upon by the court. Mr. Brown argued his previous history was not as severe as the background screening report appeared, due to many incidents being repeated on the report, appearing to be multiple charges, which were actually the same charge. He also indicated he was expecting the current open case and charges to be dismissed, the same day of this meeting.

The Board discussed with Mr. Brown the necessity of receiving and reviewing accurate and complete documentation to make a decision regarding his licensure. The Board requested to receive court documentation validating all the charges and final dispositions listed on Mr. Brown's Level 2 Background Screening report, including the current open case.
