RULES REVIEW AND DEVELOPMENT

TAB 6 Rule 64B11-2.003, F.A.C., Fees; Application

The Division of Medical Quality Assurance is revising the health history questions used by all professions in their licensure applications. The revised health history questions are intended to be less intrusive, and ensure people are not dissuaded from seeking the treatment they need, while still remembering the purpose of licensure is to ensure the health, safety and welfare of the public. It is desirable for all professions to be uniform and use the same questions.

The Board of Medicine and the Board of Osteopathic Medicine gathered information from multiple sources and developed revised questions. On September 14, 2018, these Boards held a conference call and invited all professions to attend and provide input. The Chair attended to represent the Board of Occupational Therapy Practice. The questions were amended based upon input provided at the meeting.

The Board was asked to review the revised application and if acceptable, enter into rulemaking to adopt it. Rule Reference: 64B11-2.003, F.A.C., Fees; Application
A revised licensure application, incorporating these questions, was presented at the October 2018 Board meeting, during which the Board requested more information regarding which Boards have adopted or rejected the revised questions.

Provided for the Boards review is a listing of professions that have reviewed or are currently in the process of reviewing the revised questions.

64B11-2.003 Fees; Application.

Each applicant for licensure shall pay an application fee in the amount of \$100.00 in the form of a check or money order payable to the Department of Health. This application fee is nonrefundable and may not be used for more than one year from the original submission of the application. After one year from the date of the original submission of an application, a new application and new fee shall be required from any applicant who desires to be considered for licensure. The application shall be made on "State of Florida Application for Licensure as an Occupational Therapist or Occupational Therapy Assistant," DH-MQA 1152 (**revised 10-17-02/19**), hereby adopted and incorporated by reference, available at <http://www.flrules.org/Gateway/reference.asp?No=Ref-08951>, or <http://www.floridasoccupationaltherapy.gov/applications/app-ot-ota.pdf>, or you may choose to apply through the on-line application located at <http://floridasoccupationaltherapy.gov/licensing/>.
